WHO WE ARE

Each year, the City of Alexandria hosts a Walkathon, the proceeds of which benefit Project Discovery. Eighty percent of last year's Project Discovery graduating seniors continued their education at two- or four-year colleges or technical schools. Show your support by donating and attending the October 28, 2023 Walkathon at Fort Ward Park.

Strides Toward Success

Project Discovery Alexandria is a college preparatory program with a proven record.

Since 1985, Project Discovery–Alexandria has helped students become the first members of their families to attend college or technical school. Through workshops, trips to colleges and enriching experiences, students learn how to achieve educational goals, select a college, manage time, improve study skills, and apply for financial aid.

The Project Discovery of Alexandria Advisory Board sponsors the Walkathon.
