Cc: Jack Browand <Jack.Browand@alexandriava.gov>

To: Holmes Run Trail Repairs Stakeholder Group (BCC)

This email provides an update on Site #1 - Holmes Run Bike & Pedestrian Trail: Dora Kelly Trail from Morgan St. as of February 11, 2024:

The Holmes Run Trail Repair Project at Dora Kelley Nature Park (Site #1) is advancing in the design phase. One of the first tasks will consist of the gathering of existing field and stream information. The community may see the City's consultant surveyor, Rice Associates, within the park starting the week of February 19. This is a non-invasive task and should have little to no impact on park users. Field survey activities are anticipated to take one week to complete. Should you have any questions, contact Ayoub Hassen, Project Manager, at Ayoub.hassen@alexandriava.gov.

Trail users are encouraged to only use the established detour routes when using the Holmes Run Trail.

Please forward this email to other interested stakeholders, and you may refer individuals to jack.browand@alexandriava.gov to be added to the Holmes Run Trail Repairs Stakeholder email group.

For additional information, visit the [Holmes Run Trail Repairs](#) project webpage.

Sincerely,

Jack
