

Volunteers Needed

to work from home two
hours per month.

- Make a difference in your community
- Be appreciated
- Face new challenges
- Show you care

Be a Representative Payee for a CSB client with disabilities who is unable to manage funds in his/her own best interest. Payees open a bank account and receive automatic deposits of social security checks. Money from the deposit is used to pay the client's bills. There are only a few bills each month. After a one-time trip to Social Security and account set-up, the duties require only two hours per month per account.

For more information, call 703-838-4455, extension 161.
