D. Capital Improvements, Renovations

Capital expenditures are investments in remodeling or replacements that materially add to the value of the property, or appreciably prolong its economic life. Generally, expenditures on materials or equipment with a life of more than one year should be considered capital and included here. If this section applies to your property, please answer yes and list on an attached sheet the items considered capital improvements. **Enter the total amount of the capital cost for this reporting period only.** For each line enter a description of the improvements, the total cost and the life of the improvements in years. The life of the improvements is the number of years the improvements are projected to last, or the number of years over which they will be amortized. This section helps to compile accurate maintenance expense data for each property type.

E. Market Rate Information

1. Please fill in the chart with unit types and corresponding asking/market rents for January 2023 and January 2024.

2. Please provide the total gross potential rent of the residential units, assuming 100% occupancy, for the first of the current year (2024).

F. Concessions-- Incentives given to tenants to increase or retain occupancy.

1. a. Please provide the total rental income lost due to rent concessions during 2023, e.g., periods of free or reduced rent.

b. Please provide the total income lost due to other concessions, e.g., waived or reduced amenity fees, admin fees, pet rent, parking, etc.

2. Please provide the rent concessions being offered as of **January 1 of the current year**. Include unit type, amount per month, and total amount of concessions.

G. Vacancy Information

1. Please provide the number of vacant units, percentage of total units, or vacant square footage, available for lease on January 1 of the current year.

2. Please provide the number of vacant units, or percentage of total units, available for lease over the past year.

The vacancy data provided is used in determining vacancy patterns for this property type.

H. Subsidized & Affordable Housing Information

a. This information is requested to identify subsidized properties, and additional information is necessary. If the subsidy program in which you participate is not listed, please specify in the space provided.

b. If the property includes dedicated affordable set-aside units, please specify the number of units and the typical monthly rent received per affordable unit.

I. Appraisal

Please indicate if there has been a professional appraisal for the real property within the past five years. If so, please provide the appraisal value and date of appraisal.

APARTMENT RENT MIX INFORMATION AND COMMERCIAL TENANT INVENTORY

Section I – Apartment Rent Mix Information

This section is needed to help us determine income for the coming year and to compare features of various apartment projects.

1. **Unit Type** - Types of units in the project such as: 1 bedroom, 2 bedroom, etc. If there are storage units, carports, reserved parking, etc., that attain rent, list these also. If units are used as the office or models, please indicate. Units that are subsidized should be listed separately in the middle of the page under subsidized units.
2. **Number of Units** - The number of each type of unit in the project.
3. **Rentable Area** - Number of square feet in each unit type.
4. **Total Rooms** - Include living room, dining room, kitchen, den, sunroom and bedrooms. Closets and baths are not included.
5. **Baths** - Number of full and half baths. A bath with a shower is considered full.
6. **January Market Rent (per month)** - The normal rent of each unit type in January of the current year. Please exclude “specials.”
7. **Current Market Rent (per month)** - The normal rent of each unit type at the time the survey is completed. Please exclude “specials.”
8. **Items Included in Rent** - Items included in the rent.
9. **Type of Heat** - The fuel type for heat.
10. **Metered Utilities** - Indicate whether units are separately metered for gas or electric and the tenant pays the utility company. If the units are “sub-metered”, please indicate by writing “sub” in the correct section. Units are sub-metered when the owner charges the units separately for utilities based on their usage, but the owner pays the utility company.
11. **Subsidized Units** - List units by number of type of subsidized units.
12. **Basic/Fair Market** - Give basic rent and fair market rent.

Section J - Commercial Tenant Inventory

This section pertains to commercial tenant space that is leased within your apartment project.

1. **Tenant Name** - Please indicate the name or tenant identification for each leased space. Also indicate any vacant spaces with the appropriate sizes in the next column.
2. **Amount of Ground Floor Space Leased** – The square feet of space specified in the lease on the main or predominant floor. It does not include leased mezzanine space.
3. **Lease Dates** - Indicates the term of the entire lease by including the beginning date and ending date of the lease.
4. **Original Annual Base Rent Amount** - The original base (face) rent for the first year of the current lease in total dollars. This does not include escalations or reimbursements for any expenses, nor does it include adjustments for free rent or concessions.
5. **Current Annual Rent Amount** – The current common area expenses, or taxes.
6. **Rent Escalations (Fixed of CPI)** - Show the percentage increase or percentage of CPI (Consumer Price Index) from the escalation clause in the lease. The additional income generated by the escalation clause in the lease for the period should be included in current rent.
7. **Overage of % Rent (if any)** - Show the dollar amount of paid rent based on gross or net sales (depending on lease requirements) paid over the amount of base rent.
8. **Expense Stop** - Indicates any expense stop. This is the amount of expenses, usually expressed in dollars per square foot that the landlord has agreed to include in the basic rent. If there is no expense stop and the tenant pays common area maintenance and/or real estate taxes separately, write “none” and show these amounts in the appropriate columns
9. **Amount Paid in Excess of Expense Stop** – The total dollar amount paid by the tenant for expenses more than the agreed upon expense stop
10. **Common Area Maintenance** - The annual expense paid by tenant to maintain common areas that are not designed for lease, e.g., parking, sidewalks, landscaped areas, hallways, public restrooms, etc. If common area maintenance is paid separately or not included in the expense stop, show that total dollar amount.
11. **Real Estate Taxes** - If real estate taxes are reimbursed by the tenant, show the annual amount.
12. **Months Free Rent** - If there was a period of free rent upon in the lease, show the number of months here. If there was a flat dollar amount, indicate that amount on a separate sheet. Indicate the total amount for the lease term.
13. **Landlord Paid Build Out Costs** - If there have been substantial build out costs associated with this lease paid by the landlord, and those costs are not being reimbursed separately by the tenant, indicate the dollar amount.
