

Planning Commission 2024-2025 Hearing Schedule and Filing Deadline (Development Requests)

The Department of Planning & Zoning (P&Z) will make every effort to maintain our published timeframes for DSP/DSUP review and Public Hearing scheduling. If P&Z experience high volumes of applications, staff may have to prioritize applications for public hearing because there is only capacity to schedule approximately 4 cases per month. Priority will be given to select projects that are important to meet City development goals. All other projects will be scheduled based on when they have been deemed complete by staff. If the month is full when an application would typically be scheduled, P&Z will schedule the application for the next available month that has an opening.

The Planning Commission Public Hearings are typically held on the first Tuesday of the month at 7:00 p.m., unless otherwise noted.
