

**Environmental Policy Commission  
FY-25 Priorities  
Nov 18, 2024**

# Executive Summary

- Memo dtd October 10, 2024
- Environmental Policy Commission  
Offsite April 2024
- Discussions
- Challenges
- Steering Committee
- Development of priorities, goals and  
objectives

# Priorities

- Decarbonize buildings
- Decarbonize transportation
- Improve climate resiliency
- Focus on environmental justice

# Questions

- What are your thoughts on these priorities?
- Can we accomplish this for FY25?

# Strategic Opportunities

- Engage City Council members to educate and push for more climate action on the dais
- Advise on big development projects - to encourage the leaders to lead
- Advise on Eco-City comms/outreach strategies - to encourage voluntary climate action by the community
- Send an annual budget letter
- Send an annual legislative priorities letter
- Engage with City Depts whose work touches the EPC's priorities
- Collaborate with City Commissions/Boards who have complementary workstreams and alignment of priorities

# Discussion for way forward...

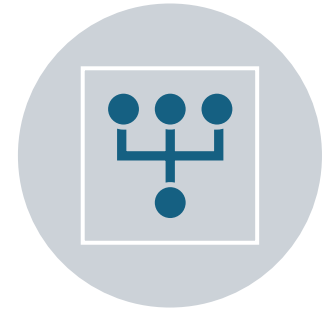

WHAT TYPE OF GOALS DO WE WANT TO SET FOR THESE PRIORITIES?

HOW DO WE ACCOMPLISH THESE GOALS IN SUPPORT OF THE PRIORITIES?

HOW DO WE MEASURE THESE GOALS AND OBJECTIVES?

SHOULD WE HAVE A LEAD FOR EACH OF THESE PRIORITIES, SUBGROUPS OR A TEAM?

What we do today  
impacts those of  
tomorrow

**Next Steps?**
