Office: 703.746.4045

Alex311: 311 or 703.746.4311

December 16, 2024

Dear Community Members,

The City of Alexandria wishes to inform you of upcoming sanitary sewer construction in your neighborhood. Starting on January 20, 2025, the City's contractor, Sagres Construction Corporation, will begin working to install new pipes to increase the sanitary sewage capacity on the following streets:

- Unit and 100 blocks of East Maple Street
- 200 and 300 blocks of East Oak Street
- 500 block of East Alexandria Avenue
- 300 block of Ashby Street

A pre-construction open house will take place on Thursday, January 9, 2025, from 6 – 8 p.m. at City Hall, 301 King Street, in the first floor Sister Cities conference room. Please use the Cameron Street entrance to access the building. The public may also participate via Zoom. Guests must register using this link to access the virtual meeting:

zoom.us/webinar/register/WN_d7eBh6StRMyn9joxD2idtA

During the open house, staff will provide additional details about the project, including the project schedule, work hours, and what to expect during construction and how construction-related impacts will be managed.

Residents impacted by construction will receive a notification containing an updated project schedule approximately two weeks prior to the start of work at each location. More information can be found on the project webpage at alexandriava.gov/go/5317.

For reasonable disability accommodation, contact Lydia.Durand@alexandriava.gov or call 703.746.4622, Virginia Relay 711. If you prefer communication in another language, free interpretation and translation services are available to you. Please email LanguageAccess@alexandriava.gov or call 703.746.3960.

If you have questions about the project, please contact me at Reginald.Arno@alexandriava.gov or 703.746.4631. Thank you for your patience as we improve the City's essential infrastructure.

Sincerely,

Reginald M. Arno
