STORM SEWER IMPROVEMENT PROJECT KICKOFF

3000 Block of Fulton St, 3000 Block of Manning St, 00 & 100 Blocks of Clifford Ave.

Hello Neighbors,

We're excited to invite you to an upcoming neighborhood meeting about the **Clifford, Fulton & Manning (CFM) Storm Sewer Improvements Project**, which is aimed at improving stormwater management in your neighborhood.

- **When:** Thursday, March 13
- **Time:** 6:30 – 7:30 p.m.
- **Where:** Near the Clifford Avenue intersection of the alley between Manning and Fulton St.

During this meeting, we'll discuss the **project's goals, schedule, and design**. It's a great opportunity to ask questions and share your thoughts, while learning about the project.

In the coming months, you may see the City's contractor conducting site visits and investigations. These activities will take place within the public right-of-way and follow the City's noise and construction ordinance restrictions to take place during these times. Please note:

- Construction hours: **7:00 AM – 6:00 PM** (Monday–Friday) and **9:00 AM – 5:00 PM** (Saturday)
- No work on Sundays.
- We'll send advance notices about any significant disruptions.

Please be cautious when passing by any contractor crew working in or alongside the road.

For more details on the project, feel free to visit our website: <https://www.alexandriava.gov/go/5708>

Looking forward to seeing you there!
