Environmental Services

2025 Spring Services

Street Sweeping

On March 3, crews began three passes of City streets. Each 12 week pass will help keep roads clean and protect local waterways from debris runoff.

Be aware of posted “No Parking” restrictions on street sweeping blocks and any additional, temporary signs! These restrictions help crews work efficiently and apply even when street sweeping is suspended due to weather conditions. For additional service, contact Alex311.

Pothole Palooza

Pothole Palooza returns Monday, March 31! Street and Sewer Maintenance crews will find and repair any potholes encountered over Alexandria's 561 lane miles over four weeks and address seasonal damage.

This is a moving operation, and residents may encounter periodic lane closures throughout the city as crews catalog and repair any potholes encountered.

After April 30, residents should submit pothole repair requests to Alex311 online or by phone at 703.746.4311.

Gateway Cleaning

Spring Gateway Cleaning work is scheduled to begin Saturday, April 5, and will continue each Saturday until all gateway areas are complete.

The focus of Gateway Cleaning is to “spruce up” entry points to the City and remove litter and debris after the winter season. The gateways included in the program are located at:

- Telegraph Rd.
- Duke St. and I-395
- Van Dorn St. and Eisenhower Ave.
- King Street and I-395

Mulch Delivery and Pick-up

Residents can now place orders for spring leaf mulch delivery! Deliveries will begin April 1 and continue through mid-June. Leaf mulch supplies and delivery dates are limited, and appointments are on a first-come, first-served basis. There is a \$65 delivery charge for each half-load and \$130 for a full load.

Free mulch is also available for residents to pick up at 4215 Eisenhower Ave., Monday through Saturday, from 7 a.m. to 3:30 p.m on an ongoing basis. No commercial vehicles and machinery are permitted

Spring Cleaning

Due to popular demand, the Spring Cleaning program will return for a trial run in May 2025!

Every Saturday in May, dedicated refuse routes will provide bulk pick-up services for residents, with dates that align with regular collection days.

Stay tuned for more details ahead!
