6. All-Way Stop – Intersection of N. Fayette Street/N. Fayette Street

Presenter: Alex Carroll

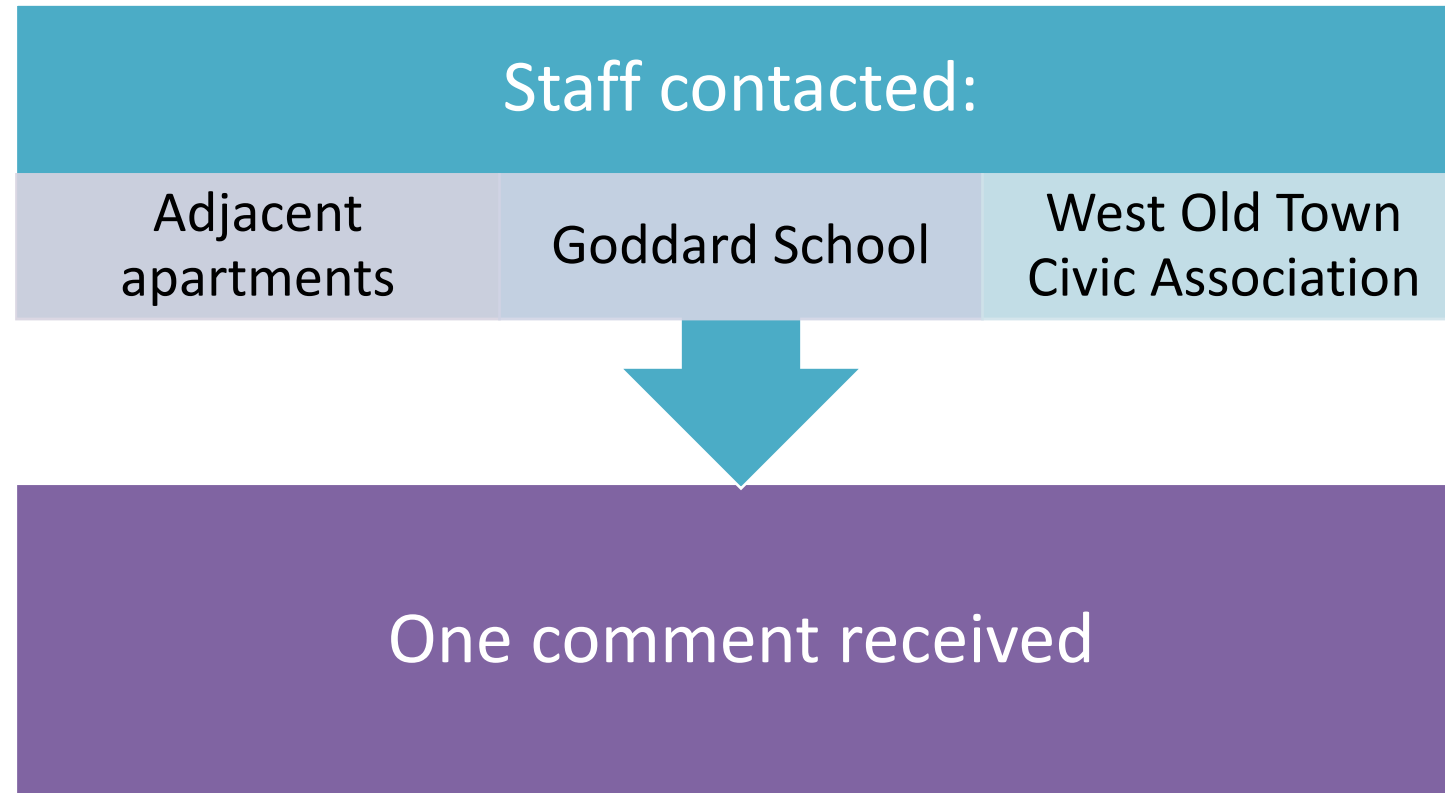

Background & Location

- Intersection of N Fayette St/N Fayette St, west of Richmond Highway
- Local street with adjacent mixed uses and high-density residential
- 3 of 4 approaches are currently stop controlled, creating confusion about who has the right-of-way

Outreach

Recommendation

That the Board recommend the Director of T&ES install an all-way stop at the intersection of North Fayette Street and North Fayette Street.

7. No Turn on Red Restrictions – Intersection of Fern Street and North Quaker Lane

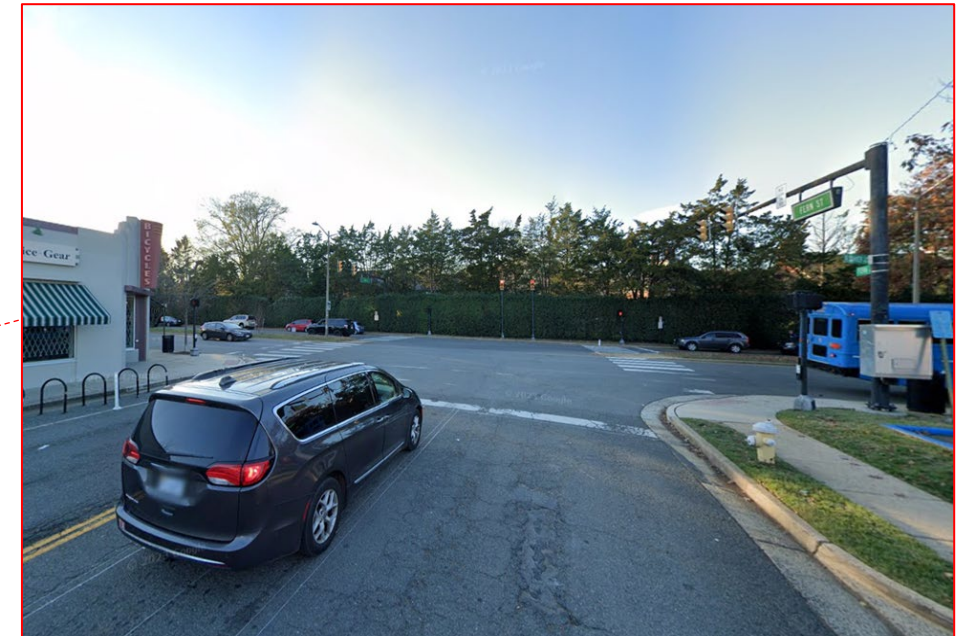

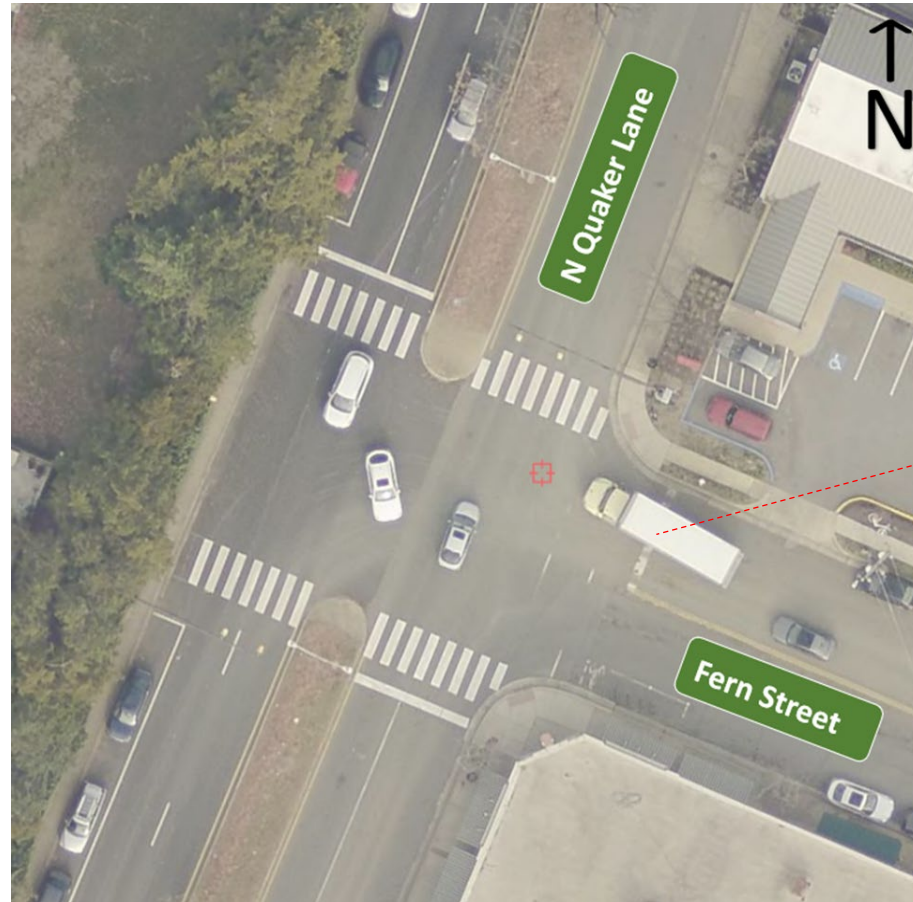

Presenter: Silas Sullivan

Background & Location

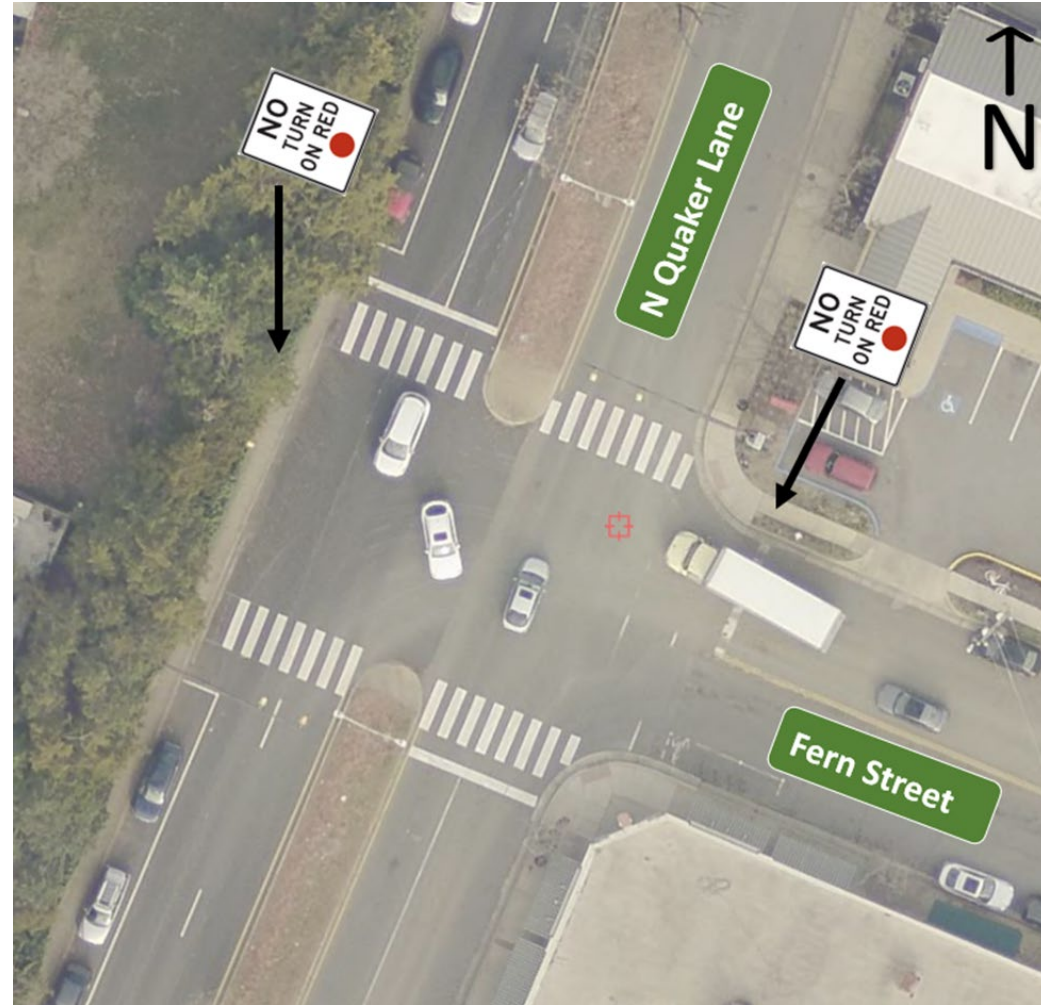

- Intersection of N Quaker Lane and Fern Street
- Local street with adjacent commercial uses
- Visibility concerns lead vehicles to block crosswalk
- Existing NTOR restrictions for vehicles turning from N Quaker Lane onto Fern Street
- Request for safety improvements through Alex311

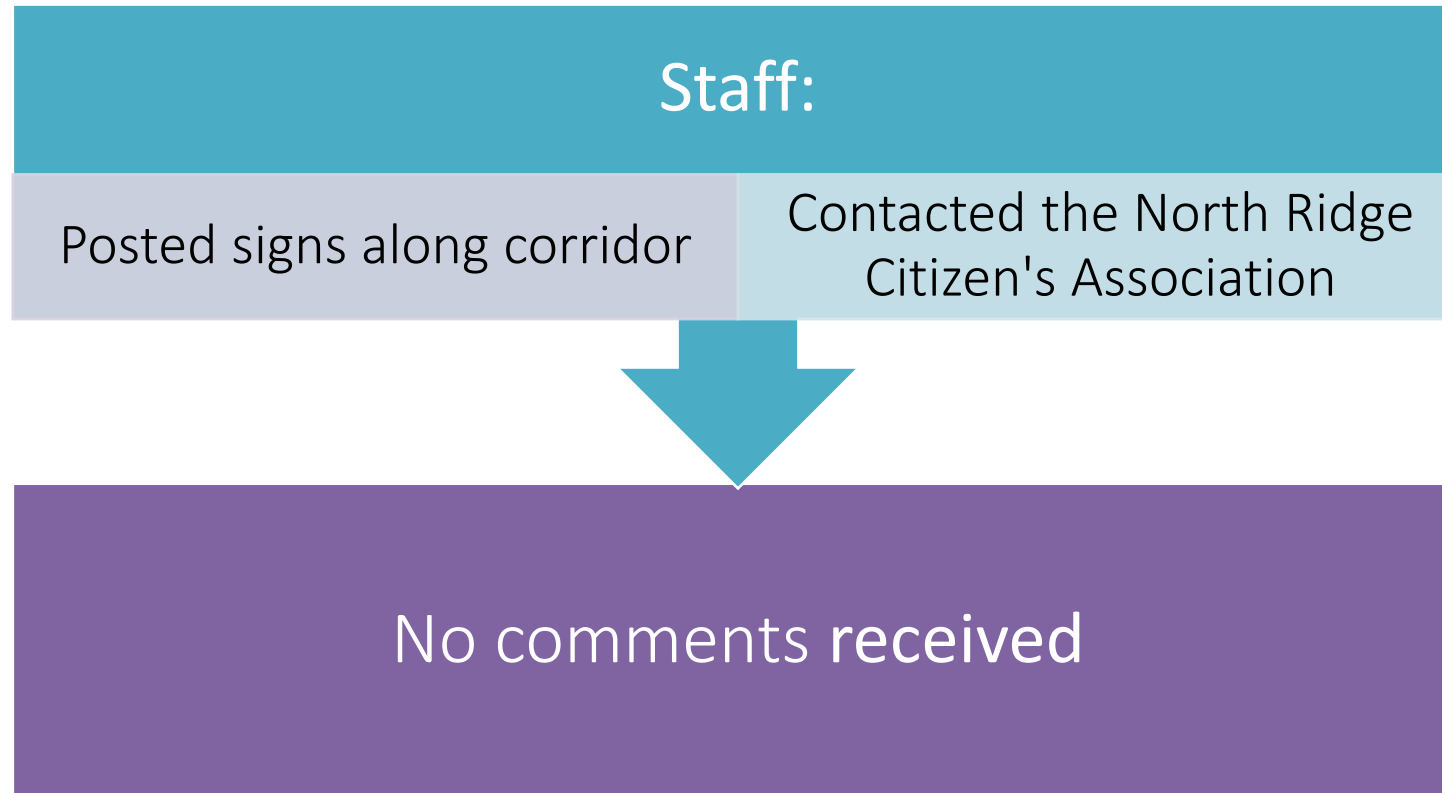

Discussion

- Proposed NTOR restrictions for vehicles turning from Fern Street onto N Quaker Lane

Outreach

Recommendation

That the Board recommend the Director of T&ES install no turn on red restrictions for Fern Street turning onto North Quaker Lane.
