

Holmes Run & Eisenhower Avenue Trail Maintenance

May 2 – June 30, 2025

The City of Alexandria's Department of Recreation, Parks and Cultural Activities will be completing planned trail maintenance, beginning on **May 2** and continuing through **June 30**. The duration of the work is weather-dependent. Trail maintenance includes asphalt patching due to tree root uplift, full depth walk replacement in select areas, and restriping of select bike and pedestrian routes.

The repairs may require **interim closures** of small portions of the trail from a few minutes to a few hours as work is implemented. Users may detour from the trail using designated bike and pedestrian routes as outlined in the [City of Alexandria Bike Guide](#). Suggested detours for this particular project are visualized on the accompanying map. Cyclists and pedestrians are encouraged to exercise caution and courtesy during this time.

We apologize for any potential short-term inconvenience and appreciate your patience and cooperation.

For additional information, contact Jesse Van Wick, Urban Planner, Park Services at jesse.vanwick@alexandriava.gov.
