

Housing 2040

DRAFT Landlord Tenant Recommendations

1. Expand educational resources and outreach for tenants and landlords
2. Advocate for state-level legislative reforms.
3. Promote the implementation of comprehensive eviction prevention, diversion, and legal support programs.
4. Support initiatives and programs that enhance housing quality and habitability standards.
5. Strengthen communication and relationships between landlords and tenants.
6. Expand housing affordability protections and anti-displacement strategies.
7. Build community engagement and address housing disparities.
