

# Powhatan Park Renovation

**Park & Recreation Commission Meeting  
11-20-2025**

# Powhatan Park Renovation

## PROJECT GOALS

The City of Alexandria's Department of Recreation, Parks, and Cultural Activities will address three of the park recommendations from the 2015 Neighborhood Park Plan.

- Recommendation #3 identifies the location of a new formal ADA compliant entrance at Douglas Street including furniture and landscaping.
- Recommendation #6 addresses improvements to repave the existing pathways and create a loop with the new sidewalk along Route 1.
- Recommendation #7 will install a shade structure and game tables at the existing plaza space.

These recommendations are all identified as 'Medium' priorities. The playground area will be redesigned with this project and be constructed at a later phase.

# Powhatan Park Renovation – Existing Conditions

LOCATED IN OLD TOWN NORTH

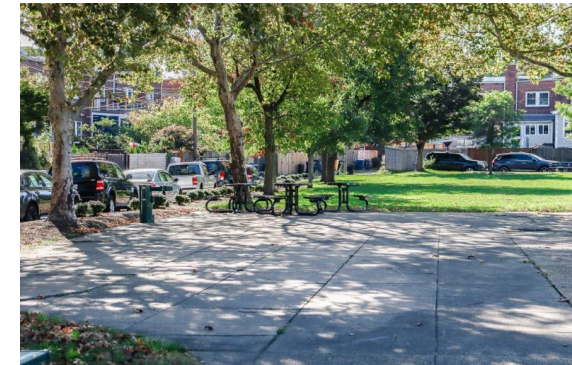

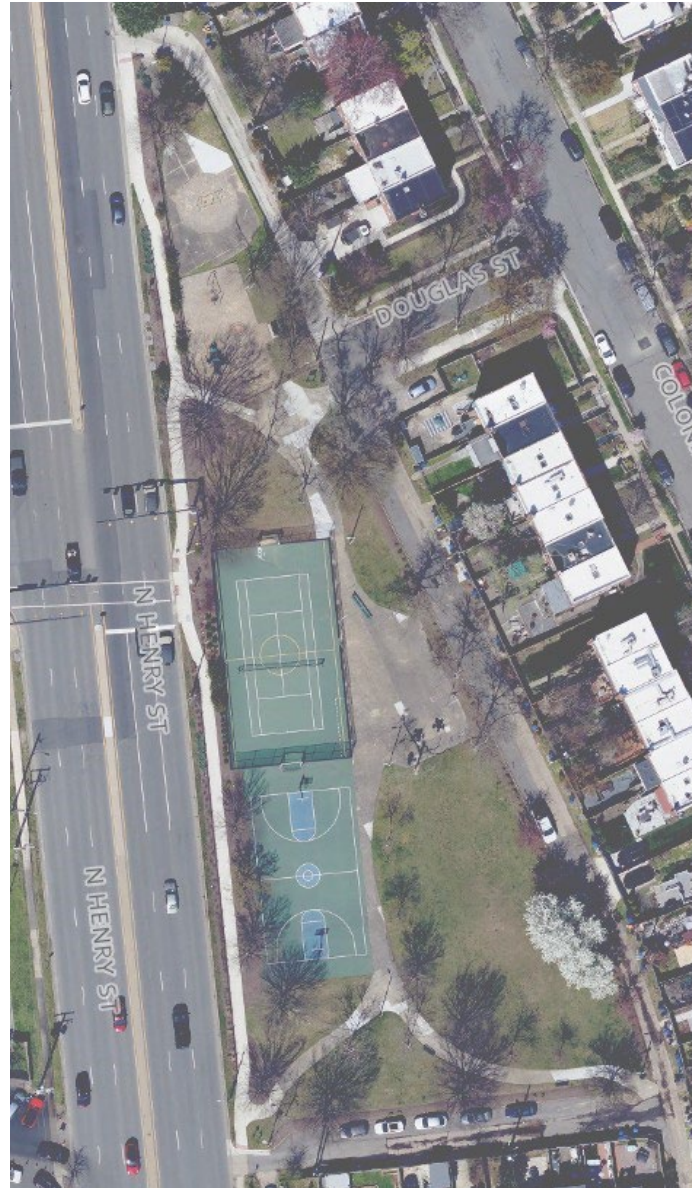

1010 DOUGLAS ST, ALEXANDRIA, VA

TWO LOTS, 1.37 ACRES

HOURS OF OPERATION: SUNRISE TO SUNSET
