

CAMERON RUN SEDIMENT REMOVAL PROJECT

Sedimentation downstream of Weir #1

Southern sedimentation island downstream of Weir #3

Construction Schedule:

June – November 2026

Construction Hours:

- Monday through Friday
- 7 a.m. to 5 p.m.

Contractor:

Avon Corporation

City Project Manager:

Wael Eltayeb, PE, PMP
Technical Project Manager
Department of Transportation
and Environmental Services
703.746.4214
Wael.Eltayeb@alexandriava.gov

About this Project:

The Cameron Run Sediment Removal Project will help protect nearby properties and reduce the risk of flooding by removing clean, excess sediment and nuisance vegetation along Cameron Run, from just upstream of the I-495 Capital Beltway Bridge to Weir #3. This routine maintenance will allow the channel to carry floodwater more effectively during storm events.

Thank you for your patience and cooperation as this important maintenance work is completed. Every effort will be made to minimize disruptions during construction.

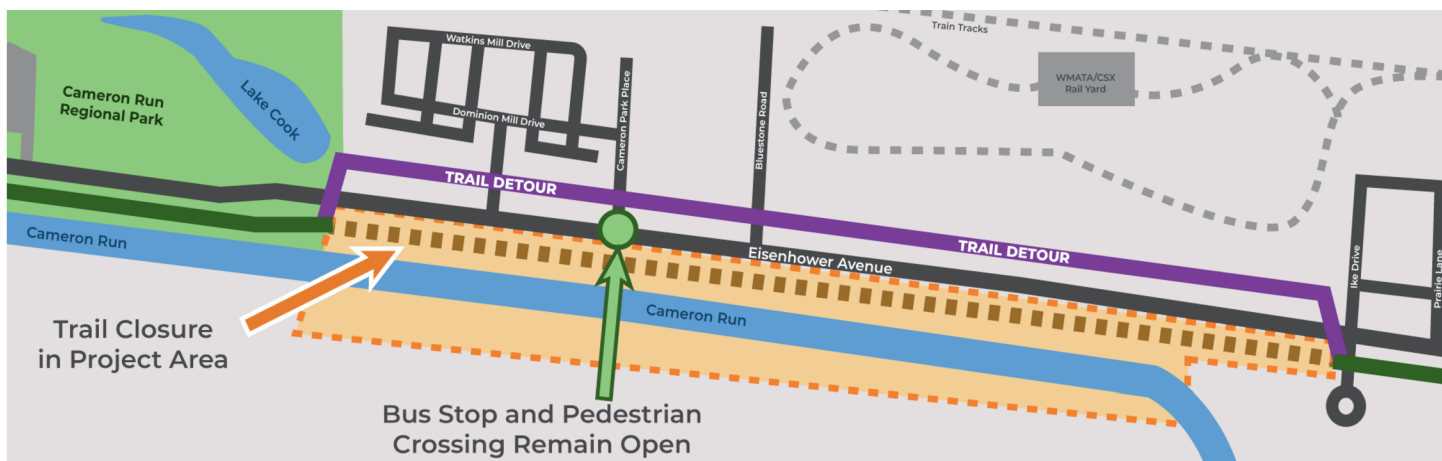

For more information about this project, visit: alexandriava.gov/go/6706

For reasonable disability accommodation, contact Wael Eltayeb at Wael.Eltayeb@alexandriava.gov or call 703.746.4214, Virginia Relay 711.

CAMERON RUN SEDIMENT REMOVAL PROJECT

The City of Alexandria will begin stream maintenance in Cameron Run along Eisenhower Avenue between the Lake Cook Parking Lot and Ike Drive starting in June 2026.

Temporary Impacts:

Trail Restrictions:

- The Eisenhower Avenue Trail will be temporarily closed between the Lake Cook service road/parking lot and Ike Drive.
- Trail users will be detoured to the sidewalk on the north side of Eisenhower Avenue. Please follow all posted detour signage and be mindful of others, as sidewalk traffic will increase during construction.

Lane Restrictions:

- One eastbound lane on Eisenhower Avenue may be closed during construction hours, as needed.
- The full Maintenance of Traffic (MOT) plan will be available on the project webpage.

DASH Bus Service:

- Eastbound DASH bus stop #4000989 (Eisenhower Ave & Cameron Park Ct) will be temporarily closed.
- Eastbound DASH bus stop #4000748 (Eisenhower Ave & Cameron Parke Pl) and the adjacent pedestrian crossing will remain open.

This project supports Flood Action Alexandria capital improvement efforts to help mitigate flooding throughout Alexandria.
