TOPIC

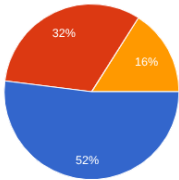

school and security

TOPIC DESCRIPTION

The lack of security not doing their job correctly affect many students at ACHS because when a fight happens instead of stooping it they just record . I think if security had more training they would do their job correctly . This issue matter at ACHS because students dont feel safe at school and it dont let them do their school work due to the security not doing their job correctly .

BASELINE DATA & GOAL

THIS DATA SHOWS THAT MANY STUDENTS AT ACHS DO FEEL SAFE WITH POLICE OFFICERS ON CAMPUS MAKE IT MORE SAFE . IN THE SURVEY SHOWS 16% OF THE STUDENTS DONT FEEL SAFE WITH POLICE IN SCHOOL GROUNDS . 52% OF THE STUDENTS DO FEEL SAFE WITH THE POLICE ON SCHOOL GROUNDS . SO THIS MEANS SOME OF THE STUDENTS FEEL SAFE AT SCHOOL . MY GOAL IS TO HELP SECURITY GET MORE TRAINING

CYCP GOAL & STRATEGIC AREA

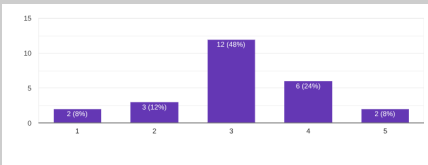

this issue connects to school and security goal because students are not safe at school due to the security not doing their job correctly .

WHAT IS HAPPENING RIGHT NOW?

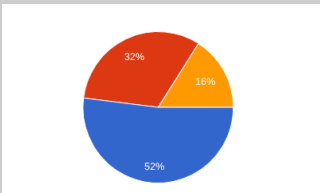

THIS DATA SHOWS 56% OF STUDENTS FEE; SAFE ON SCHOOL GROUNDS . 28% OF THE STUDENTS DONT FEEL SAFE O SCHOOL GROUNDS

THIS MATTER BECAUSE IT SHOWS THAT MANY STUDENTS AT ACHS DONT FEEL SAFE ON SCHOOL GROUNDS

THIS DATA SHOWS HOW SCHOOL SECURITY MEASURES 48% BEING THE HIGHEST AND 8% IS THE LOWEST

THIS MATTERS BECAUSE SCHOOL SECURITY MEASURES IF THEY NEED MORE TRAINING OR LESS

THIS DATA SHOWS THAT MOST STUDENTS FEEL SAFE HAVING POLICE OFFICERS ON SCHOOL GROUNDS . 52% FEEL SAFE AT SCHOOL WITH THE POLICE ON SCHOOL GROUNDS . 32% OF THE STUDENTS DO NOT FEEL SAFE HAVING THEM ON SCHOOL GROUNDS

THIS MATTERS BECAUSE IF SOMEONE ENTERS THE BULIDING WITH A WEAPON THE POLICE WILL BE THERE

WHAT HAS ALREADY BEEN TRIED?

ACHS I think has been working on it because i dont see the security on their phones . ACPS should give them more training and if students can reach out to them too would work

WHO CAN HELP?

\I think the school bored and principle should help give security more training \

WHAT HAS BEEN DONE SO FAR?

PRINCIPLE KINDA STOPPED PEOPLE FROM FIGHTING AND SOME TEACHERS TOLD THE PRINCIPLE ABOUT WHATS HAPPENING

IS IT ACTUALLY HELPING?

ACHS should take advancement because students are getting hurt and they dont fell safe at school

WHAT SHOULD CHANGE? (YOUR SOLUTION)

my solution is to increase the security training at Alexandria city highschool by having a one on one meeting with the principle and talking about whats happing because students cant get their work done due to the fights and not feeling safe at school .my survey data supports this idea because 52% of the students feel safe at school while 32% feel not safe at school . i think its best to have students feel safer at school

WHAT WILL HAPPEN NEXT?

if my solution happens students will start seeing the changes and will want to come to school more
